Please provide your comments on each of the following questions:

1. In your opinion, how did the students experience the course this week?

The students experienced the course positively this week.

They were attentive and engaged throughout the sessions and demonstrated a good understanding of the concepts covered in Personal Selling Skills.

Participation during discussions and activities was satisfactory, and students were given opportunities to ask questions and clarify areas they found challenging.

Overall, the learning environment was positive and conducive to learning.

2. Were there any incidents in class this week (e.g. students frequently arriving late, students not participating in group activities etc.) that you would like to bring to our attention?

There were no incidents to report during the training sessions this week.

The classes proceeded smoothly, and there were no significant issues relating to attendance, punctuality, participation, or student conduct that required attention.

3. Please comment on your experiences in interacting with Milpark Education representatives (including, but not limited to, Programme Managers and Programme Administrators).

My interaction with the Milpark Education representatives was positive.

Communication and support were satisfactory, and there were no issues that affected the delivery of the training during the week.

The overall coordination and engagement with the relevant representatives contributed to the smooth running of the sessions.

4. Do you have any other comments / suggestions for Milpark Education?

The training sessions were completed successfully, and overall, the week went well.

There are no specific concerns or recommendations to report at this stage.

I appreciate the continued support and coordination from Milpark Education and look forward to the successful continuation of the programme.

Please return this form with the registers.
